

FELASA 2016 - PRELIMINARY PROGRAM

MONDAY 13TH JUNE 2016							
8:00-20:00 Registration open							
	10:30-12:00	12:00-13:00	13:00-14:00	14:00 - 15:30	15:30 - 16:00	16:00 - 17:30	18:00 - 20:00
Room	EXHIBITION						
01	A9M What happens inside? Which imaging technology for my research?	W E L C O M E	Opening Ceremony	A7M Microbiota and animal models	C O F F E	E8M Accreditation of animal care and use programs	W E L C O M E R E C E P T I O N
02	E1M Education and Training of Animal Care Staff		Opening Ceremony <i>(AV streaming)</i>	E6S Mutual recognition of personnel qualifications		E2S CPD and true competence	
03	B4S Environmental issues and lab animals		E11S Moving lab animals	F8S Animals outside the laboratory			
04	F3S Statistical reporting and NTSs (transparency by Directive)		S7WE Charles River Seminar 1	D10S Good care practice for zebrafish and Xenopus spp			
05	S3W 11h-12h EARA Members <i>(by invitation)</i>		C5W Repeat 1 Classification and reporting of severity	A10W Imaging			
07	POSTERS						

Streams

A. Models by design
B. One health
C. What animals tell us
D. On the safe side
E. One Europe
F. Governance
Special events and exhibitors workshop

Session codes

1st letter = stream
 numbers = session number
 last letters:

M=Main session
W=Workshop
S=Seminar
WE=workshop organized by exhibitor

TUESDAY 14TH JUNE 2016								
8:00-18:00 Registration open								
	8:00 - 9:30	9:30 - 10:00	10:00 - 11:30	11:30 - 12:30	12:30 - 14:00	14:00 - 15:30	15:30 - 16:00	16:00 - 17:30
Room	EXHIBITION							
01	A1M Genetic modification – technologies and pitfalls	C O F F E	E3M Roles and competences of (designated) veterinarians	KEY NOTE	L U N C H	D3M Diets - can we control the bias?	C O F F E	A8S Translational Relevance of Animal Models
02	B6S From comparative medicine to animal models		C3M Automated welfare/behavior monitoring	KEY NOTE (AV Streaming)		F2S Public opinion		F1M Public communication
03	F7S Global animal welfare and use strategy fostered by global companies		C9S What zebrafish tell us...: do's and don't?			D1S Cephalopods as Laboratory Animals – Back to the Future		C8S Non Cephalopod Invertebrates: replacement alternatives?
04	A4S 3Rs in toxicology		A5W Values and Limitations of Animal Models			A2S Optimising the validity of behavioural laboratory animal science		B8S Tuberculosis: targets of current research
05	D7W Operational challenges of Germ Free models development		E5S FELASA accredited courses with implemented Eu Directive			E7W e-Learning		C5W Repeat 2 Classification and reporting of severity
06						S2W 14h-16h LAL AGM (by invitation)		S1W 17h-19h FELASA course organisers - closed meeting
07			F10W Facility MT			S6WE Tecniplast		S9WE Idexx 1
09	POSTERS

WEDNESDAY 15TH JUNE 2016

8:00-18:00 Registration open

	8:00 - 9:30	9:30 - 10:00	10:00 - 11:30	11:30 - 12:30	12:30 - 14:00	14:00 - 15:30	15:30 - 16:00	16:00 - 17:30	
Room	EXHIBITION								
01	F5M Rehoming animals used for regulated procedures	C O F F E	F6M Practising Culture of Care and the role of Animal Welfare Bodies	FELASA AWARD LECTURE	L U N C H	B7M Obesity and metabolic disorders: One Health challenges	C O F F E	C7M How to define, validate and manage humane endpoints	G A L A D I N N E R
02	D5M Health Monitoring of rodents		D6M Health Monitoring of (zebra)fish	FELASA AWARD LECTURE (AV Streaming)		E10M Implementation of Directive 2010/63: status and challenges		D8M Laboratory animal facilities designed to add value and cut costs	
03	B2S Use of NHP in biomedicine		D9S What's new in Occupational Health and Safety?			A3S Scientific reporting - LAL seminar		E9S National and International 3Rs programmes and reference labs	
04	B9S Working in high biocontainment (level 3-4)		B1S 3Rs and severity affected by biocontainment of pathogens			C2S 3Rs in Parkinson's disease research		C10S Behavioural conditioning	
05	A6S Sharing information: fewer experiments for more knowledge		F9W Institutional transparency					S4W LAL Jubilee Ceremony	
06				S8WE Charles River 2	S5WE Idexx 2				
07	POSTERS

THURSDAY 16TH JUNE 2016				
8:00-18:00 Registration open				
	9:00-10:30	10:30-11:00	11:00-12:30	12:30-13:00
Room	EXHIBITION		12:00 Closing of Exhibition	
01	B5M Epilepsy: a model of comparative medicine	C O F F E E	C6M Epilepsy: 3Rs in action	CLOSING CEREMONY
02	D2S Training Large Animals for scientific procedures		F4S Harm-Benefit analysis in a global context	
03	C1S 3Rs in immunology		B3S Comparative medicine of infectious diseases	
04	C5W Repeat 3 Classification and reporting of severity		D4S What teleostean fish tell us	
05	POSTERS			

RSPCA Program:

A conference of the RSPCA: Focus on severe suffering starting immediately following the conclusion of the FELASA 2016 congress and continuing on Friday June 17th will be organised at the same venue. Registration is free. You can register and find more information on the event website or email research.animals@rspca.org.uk
